May 2019 Minutes

- Motion by Bridgette to accept minutes as presented, 2nd by Tara. Accepted.

Casino Update

- We are full with volunteers at this time, if anyone can't commit Steph will post on Facebook to ask for fill ins.

Hot Lunch Update

- Tonight, we said goodbye to Lisa Perich who has managed the hot lunches since we opened. In her place we welcome Sandy Schuck. For the year hot lunch has profited \$21,261.69. Next year Papa Johns will be added to our hot lunch line-up, but will

Principals Report

- Registration is sitting at 840 students, class room sizes will be consistent. We are hoping for no significant cuts from staffing.

Junior High kids will be getting their timetables for next year before summer and George Davidson students will also get their teacher names and timetables.

There is going to be a community classroom for Grade 2 students where it will be co-taught by 2 teachers.

Kindergarten will be changing a bit with the addition of full days for parents that register. There are 10 students thus far who will be full time, this number will give us plenty of room to accommodate.

Shifts in teachers and grades can be expected for next year, all the shifts haven't been set in stone as yet but will be set in time for September.

- Baseball Institute will be a testing program, before we add any other programs, we want to make sure there is interest (15-16 interested in baseball institute so far) AMS is also interested in the program.
- Tony Bardal accepted a position at MHHS for reception so there will be a reception position available
- Grade 9 farewell is set for June 25th. There is a school wide BBQ as well that day, after the BBQ Grade 9 kids will be bussed to Dunmore Dugout. After Dunmore Dugout our banquet will start. There will be no Grade 9 sleepover.
- Grade 6/9 PAT's went well, Grade 6 students wrote their Math Part A yesterday and they did great!
- Freshgrade- every teacher will be implanting this app which will open up communication, give parents marks immediately. This is also a way to get feedback from parents. We are hoping the end result will eliminate report cards in the future.
